

EPUAP CURRICULUM VITAE

Name Probst, Astrid

Work Title APN wound management

Institution Kreiskliniken Reutlingen GmbH

E-mail astrid.probst@kliniken-rt.de

Year of joining EPUAP 2023

Please comment on your involvement with pressure ulcers under the following headings:

Clinical

- Establishing decubitus champions on each ward including ER, OP and ICU in our clinic
- Treating patient with pressure ulcer wounds

Scientific research

- My clinic is one of the founding members on the German benchmarking initiative in the Magnet4Europe study. Benchmark includes HAPI <https://www.bqs.de/leistungen/benchmarkinitiative-pflege-b-in-pflege/>

Organisational

- Journal club every quarter for the pressure ulcer champions
- Booklet about pressure ulcers including prevention in our hospital
- Dashboard pressure injury in our hospital

Educational

- Developing content for augmented and virtual reality glasses regarding pressure ulcer prevention and treatment
- Teaching about pressure ulcers and prevention and patient education at our nursing school
- Patient and their family care givers education – for example with short videos or telenursing

Membership of other organisations

- ICW e.V.
- DGfW
- EWMA

My focus is to create educational content together with the EPUAP for augmented and virtual reality glasses for patient and staff education.
